"KORCZAK"

We invite all comers:
students, faculty,
teachers, parents!!!

**"KORCZAK" is one of the most important
European pictures about the Holocaust"**
- STEVEN SPIELBERG

Janucz Korczak is one of the most famous
pedagogues of the 20th century.

This film is about his last years of life, and

- how he brought up **self-respect in children**,
- how he survived with children
in the intolerable conditions of the ghetto,
- how he helped the children **prepare for death**.
